

# SUPPORT GROUP for PARENTS

Tuesday  
March 26th, 2019  
at 6pm

Coming together is a **Beginning...**  
Keeping together is **Progress...**  
Working together is a **Success!**

*This Group helps mothers and fathers to understand and cope with adolescent substance use and other problematic behaviors. Our loved one's behaviors impact everyone in the home. Parents responses can greatly help achieve solution-based interventions to address these behaviors in healthy ways.*
